Hubble Bubble

MARCEL WANDERS STUDIO | POWERED THROUGH ELECTROSANDWICH® BY MARCEL WANDERS

Hubble Bubble, designed by Marcel Wanders studio, is an airy and joyful suspension lamp. Available in two sizes, with either 7 or 11 glass LED bubbles in oil-iridescent or frosted versions. Hubble Bubble can be hung both horizontally and vertically and is powered through Electrosandwich® by Marcel Wanders. Hubble Bubble is the cheery statement piece in your home that can hang from any angle.

Detailing

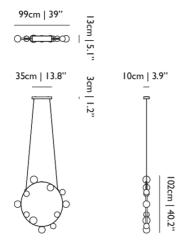

Hubble Bubble is powered through Electrosandwich® technology, so the bubbles don't need any additional wiring

Dimming & Lighting Control

Mains, Trailing edge, Reverse phase

The luminaire is dimmable by using an external Electronic Low Voltage dimmer. The dimmer is usually mounted on an existing wall socket and there is no need to change your home's wiring. On the dimmer it should show that it is a LED dimmer, suitable for 5 Watts or lower and C-type capable. Dimming is less fluent and can come with some flicker, a beep or a buzz.

Compatible models: 11 CE, 11 cULus, 7 CE, 7 cULus
