

## Kimono tavolo / *table*

design Studio E-ggs

Scultoreo, volumetrico, simbolico, il tavolo Kimono nasce da un'idea di design che esalta la semplicità. L'iconica base crea un incredibile gioco prospettico: sembra che i due elementi dalla forma bombata, a goccia, uguali, si intersechino, creando l'effetto inaspettato che ha ispirato il nome del tavolo.

*Sculptural, volumetric and symbolic, the Kimono table emerges from a design concept that celebrates simplicity. Its iconic base initiates an endless play of perspective. Two elements, each bearing an identical rounded drop shape, intersect to create an unexpected effect, inspiring the name of the table.*
